Thank you for your interest in our program! Attached is a Registration Form and information about our preschool. Upon receipt of your form and payment, which includes your non-refundable registration fee + 1st month's tuition (amount of 1st choice)***, we will place your child's name on our roster. Please note that our tuition is set annually and divided into 10 monthly payments for your convenience. You will be notified by mail/email in May which class they will be in. We make every effort to place your child in your 1st choice selection, however classes fill fast, and students are placed on a first come, first served basis. We offer Enrichment Classes (the option with extra days) for all age groups. These days are designed to enhance our curriculum, with an emphasis on areas such as language, literacy, writing, math, science, the arts, and social skills – there is limited availability as these are intentionally smaller class sizes for the 3 & 4 year old classes.

Please email appletreeaide@trinitywhitesboro.com if you'd like to schedule a tour of the preschool. We look forward to the opportunity to meet you and your child and make your child's learning experience a great one!

Sincerely,
Erin Curtin-Telesca
Preschool Director

***Cash, check or online payment accepted. <https://trinitywhitesboro.com/the-apple-tree-preschool-program/> Click "Pay Tuition", then select the "Apple Tree Tuition" designation. We do not budget for online fees as many pay by cash or check. Both Debit AND Credit Cards carry a high fee, and American Express is even higher. If paying online, please consider an Electronic Funds Transfer (IE your bank account info – NOT the associated debit card) as those fees are lower AND/OR opting to pay the associated fees so the entire tuition stays with the program and your children. If sent separately, payment must be received within 48 hours of your form to secure your placement. Forms can be handed in, mailed, or emailed.
